

OLD RIVALS TO CLASH

De Witt Clinton and Commercial to Meet on Gridiron.

BOTH TEAMS CONFIDENT

Other High Schools Postpone Their Big Games Till Election Day.

A rare battle of the gridiron is in prospect for this afternoon, when the teams of De Witt Clinton, scholastic champions of greater New York for 1911, and Commercial High School, of Brooklyn, meet at American League Park for their annual game. With Election Day and its full quota of big games only a few days off, the other teams are resting, so that the meeting of Clinton and its rivals from across the big bridge alone will have a bearing on the football championship of the city, and a great crowd will be on hand to see the boys play.

A stiff drill at signals and a short but none the less spirited scrimmage between the regulars and scrubs formed the schedule of both teams yesterday. Odds are somewhat in favor of Clinton. The team has been going along at a furious pace, and it showed in the game with Boys' High, that it had a punch in the attack. One and all, the squad is in perfect condition, and with Billy Moore's ankle well again the Clinton team will take the field full of confidence.

The slump which the Commercial team has been in for the last week is not to be regarded too seriously. It was the natural result of a driving system. Now everything is running along smoothly and the boys are displaying their true form. Commercial will go into the game without the services of Woodworth, their star line breaking back, but O'Shaughnessy, who will start in his place, has been awaiting just such a chance all season and is certain to make the most of his opportunity. Commercial banks high on the line smashing attack of "Rube" Onley, its all-scholastic back of last year, and Cy Clayton, its fleet-footed end. Both these lads will be in the line-up to-day.

The other games will be important for the greater part. Curtis will meet Flushing in the afternoon. Stuyvesant will face Mount Vernon at Mount Vernon, and the Commerce club will play Montclair Military Academy at Montclair in the morning.

ROCK SAND'S OPEN HOUSE

Many Horsemen Visit Stallion in His Box Car.

When the steamship Minnewaska, of the Atlantic Transport Line, sails from New York to-day, she will have as a passenger the famous English stallion Rock Sand, as well as the mares Torpary and Golden View. Rock Sand, already published, goes to France, having been purchased by a syndicate of horsemen, while the mares are bound for the French breeding establishment of August Belmont, chairman of the Jockey Club.

The three equine passengers arrived in a special car from Lexington at Jersey City yesterday, in the care of John Miller. The plans for the transportation were arranged by Herbert Temple, of the Adams Express Company, and the ship was of such importance that Mr. Temple made the trip to Lexington himself.

Rock Sand kept open house yesterday in the comfortable car in which he made the journey from Kentucky, and among the visitors were August Belmont, who sold the stallion, and Clarence Mackay, who is one of the members of the syndicate which made the purchase. The downpour of rain did not deter many other horsemen from visiting the car in Jersey City and having a last look at the stallion and the mares, whose loss is a severe blow to the thoroughbred breeding interests of America.

PROTEST SUB-TARGET SHOOT

The Eastern District High School sub-target team defeated the Morris High school in the third round of the high school championship tournament on the former's gun yesterday. The score was 247 to 247. The Bronx school, however, won the match under protest, contending that the machine was out of order. The protest has been forwarded to the high school sub-target committee for an investigation. Several perfect cards were returned.

MAY MEET ENGLISH TEAMS

Plan to Pit Harvard and Yale Against Invaders Here.

(By Telegraph to The Tribune.) New Haven, Nov. 1.—It was learned to-night that Philip J. Baker, who acted as referee of the Yale-Princeton "cross country" run here to-day, has made definite advances to the Yale and Harvard managers for the holding of an international track meet between Oxford and Cambridge and Yale and Harvard in this country next summer.

Mr. Baker is the official representative of the English universities, and is over here for the purpose of learning the sentiment of the Americans in regard to such a meeting. He is not endowed with power to close negotiations technically, but he will practically settle matters. The Englishmen are very desirous of coming over. Mr. Baker has conferred with the Harvard and Yale officials as individuals, and the idea has met with very general approval. After the defeat of the Americans by 1 point in the most recent year the latter are anxious to retrieve themselves. No official action can as yet be taken, but on all sides the matter has met with such evident approval that it is very likely when the bodies meet for official action it will be a simple matter to arrange for a formal challenge and acceptance. Such a meeting would certainly meet the approval of general undergraduate sentiment, and the various faculties are unlikely to oppose it.

HORACE MANN TIES IN MUD

Hamilton's Light Team Not at Best on Wet Field.

The Hamilton Institute and Horace Mann football teams fought to a 6 to 6 tie in a sea of mud at Horace Mann field yesterday.

Hamilton scored its touchdown by using Harris and Gregory, who smashed through Horace Mann defense for big gains.

The score made by Horace Mann was in the second period, when Davis fumbled and Stewart made a touchdown. Stewart and Fields played well on Hamilton line, while Harris and Gregory made long gains.
